12. Number of teachers in your school: 90
13. Number of students in your school: 767
14. Please provide the name of teachers and students who were/have been involved in the planning and implementation of this school activity/programme on Values Education.

Teachers:

- a) Goh Siah Ching (Deputy Principal – Academic)
- b) Salanjat Anak Jugi (Deputy Principal – Administration)
- c) Rosimah Hj Zainuddin (Senior Mistress – Academic)
- d) Dayang Alinah Hj Ali Ahmad (Senior Mistress – Students Affairs)
- e) Pitar Pangkat (Senior Master – Co Curriculum Activities)
- f) Hjh Suzilawati Hj Md Saji (Counsellor)
- g) Mohd Soffian Mohd Salleh (Head of Bedudun Setagal Club)
- h) Izahtul Iffah Hj Mohd Juani (Head of Year teacher)
- i) Amaliah Md Taib (Head of Geography Department / School Magazines Photographer)

Students:

- a) The Head Prefect and prefects
- b) PRS (Peer Guiders Program) Students
- c) Class Monitress and Assistants
- d) Bedudun Setagal Club members
- e) Uniform Club members

PART II: Information about the School's Values Education Activity/Programme

1. Title of the school's programme

Implementation Of School Core Values for Students.

2. Summary of the programme (a half to one page A4)

The implementation of School Core Values for Students in Sufri Bolkiah Secondary School includes:

1. Information to the school community:

The Administrators, teachers, parents, staffs and students have been informed about the introduction of School Core Values during the Parents-teachers meeting, School Assembly, Staff contact times and Orientation for Year 7 students.

2. Academics

The class and subject teachers will relate their lesson to the school core values especially in Malay Islamic Monarchy subject. They also reminded their students about the importance of School Core Values.

3. Co-Curriculum Activities (CCA)

Since the introduction of School Core Values, the teachers and students members of the clubs are planning the yearly activities that could enrich the School Core values.

4. Through Counselling Activities, Talks and forum.

5. Organising events, school function by the students themselves.

6. Through Community service

7. Sharing of ideas between the Principal, school administrators and students.

8. Students' participation in School, National and International level competition.

3. Background information or reasons why the school created this programme

In 2011, the school administrator team were involved in the School Leadership Program which is a Leadership Development for Brunei Darussalam's school leadership teams for six months. The teams were exposed to best practices and leading thinkers to improve their personal leadership capability. One of their transformational projects is to come up with the School Core Values. Once the Principal and the team had decided on the values, then the teachers, staff, students' parents and students were informed.

One way of implementing the school values is by giving the opportunity to the students to actively be involved and organise the events or activities without the teachers' supervision especially the schools' prefects, PRS (Pembimbing Rakan Sebaya or Peer Guiders Program) and other students.

4. School vision, mission and core values

School Vision: Towards Excellence

School Mission: To Maximise Students' Potential Through Effective Teaching And Learning

School Core Values: Accountability, Commitment, Teamwork & Transparency

5. Objectives/goals of the programme

1. To train and educate students on the school core values.
2. To cultivate the leadership skills among students.
3. To provide guidance and support to students to conduct and participate in activities or functions both in local and national.

6. Values that the school aims for within the programme and/or definitions

Accountability

- to be responsible towards ensuring the completion of the task given
- to set a good example for others
- to exercise self-discipline

Students are accountable for the following:

- a) Responsible to complete school tasks (classwork, homework and projects)
- b) To achieve excellence in studies, displaying innovative and creative attitudes which will promote school credibility
- c) To discipline oneself by adhering the school regulations within or outside school premises
- d) Responsible to maintain the school well-being in terms of preserving the school facilities, cleanliness and others
- e) Having teamwork attitude by helping schoolmates who have learning difficulties or disciplinary issues
- f) To be a patriotic and a responsible Bruneian

Commitment

- dedication in doing tasks given

Commitment means to

- a) work to their optimum capacity to achieve mission and vision of school and ministry
- b) promote the self-development and welfare of school community
- c) show loyalty to friends and school
- d) support and show care to those who need help
- e) encourage productive relationship through effective communication in school or outside

Teamwork

- a) Work together as a team to achieve a common goal
- b) Bringing together a variety of skill for a common purpose
- c) Encourage constructive ideas / solution to ensure successful / positive outcomes
- d) Emphasising leadership and shared information

Transparency

- to disseminate information and ideas in a clear and understandable manner
- openness in decision-making process and develop effective communication

We shall

- a) appreciate the views of others
- b) be receptive to new ideas
- c) be transparent in dealing with others
- d) be honest to others

7. Period of the time when the programme was or has been implemented

From January 2011 until present

8. Activities (Actions and strategies of implementation)

1. *Recitation of Al-Quran and Morning 'National Anthem' and prayers*

The School Prefects are given duties in operating the school's PA system for the Al-Quran recitals, playing the National Anthem and prayers

2. *School Assembly*

The school assembly is conducted by the school prefects and PRS on Thursday weekly and Mondays once a month.

3. Meeting of Prefects and PRS students with the school Principal and administrators once a year.

4. *The 3R Program (GLEATH Club)*

This program was conducted by the GLEATH club students for the students to be aware about the environment and reduce the impact of global warming by planting more trees and practice the 3R's - Reduce, Reuse and Recycle

5. *The A-team*

A-team was set-up in school to provide help to targeted students that were chosen to join

such programme or activities. The A-team would create a programme that is aligned with projects organised by the Counselling & Career Unit, Department of Schools, Ministry of Education. A-team is responsible for the whole project from writing the proposal, creating the activities, managing meetings and giving support and motivation.

6. *Co-curriculum Activities (CCA) such as Bedudun Setagal Club*

The aim of this club is to expose the students to the communities in Brunei Darussalam by understanding their cultures and language. They visit the villages and other districts for a day, where they communicate with the community and learn their daily activities.

7. *Open Day*

Some activities were conducted by the students during the Open Day in 2010, 2011 and 2012 such as Trashion Show in 2011 where students designed clothes through recycled materials. Students also developed their entrepreneurial skills through setting up booths selling food and other products. Creativity, teamwork, communication skills and commitment were further enhanced through these activities.

8. *Family Day*

Most of the activities involved students' teamwork and commitment such as the SAP students setting up and organising a café selling foods and drinks

9. *Workshops for leadership*

The workshop that involved the prefects and PRS which was voluntarily conducted by one of the students' parents, Mr Suni, a counsellor from Brunei Shell Petroleum Company in 2011.

10. *PRM (Pembimbing Rakan Muda)*

The Young Peer Guiders (PRM or Pembimbing Rakan Muda) from Tutong district primary schools visited the school. The PRS students were given the task to prepare and conduct the function through games and activities such as Ice Breaking Game, Communication Game and Team Building Game.

11. *Religious Activities*

The students were involved in religious activities in school such as Majlis Ibadah Korban or Korban ceremony, cleaning the public Muslim cemetery and recitation of Surah Yassin.

12. *Community Services*

The students did a community service such as cleaning up the public mosque and Centre for Children with Special Needs (KACA) in Tutong district.

13. *Students Twinning Programme between Brunei Darussalam and Singapore*

An exchange visiting and learning programme between the students of this school and Tanjong Katong Girls School, Singapore. This year this school's student representatives visited the Tanjong Katong Girls School, Singapore.

9. Teaching strategies or pedagogies used for teaching values in the school

Melayu Islam Beraja (Malay Islamic Monarchy)

A subject on the philosophy of Brunei Darussalam, the study on community and teaching of values.

Year 7 and 8 students –

Teachers make students do individual and group presentations and doing research on certain topics and subjects.

Class monitors –

Duties and responsibilities in taking care of class disciplines, cleanliness and assist the class teachers and subjects teachers.

Prefects and PRS –

Duties and responsibilities – Planning the morning assembly on ‘What to say’ once a month and run the assembly every Thursday morning, monitoring the canteen every day and completing a monthly report.

SINAR forum

The forum on values conducted by the Counselling Department every year, through which the officers from government bodies and agency such as Narcotic Control Bureau, Brunei Royal Police, Brunei Prisons Department will give talks.

-Organising and conducting school functions such as assembly, Hari Raya and Teacher’s Day celebrations

-English speech during the assembly every Thursday by students under the supervision of English Language Department

-BAT (Business, Art and Technology) subject which is a Project Based Learning for which students will contribute their ideas, and co-operate with each other as a team.

10. Programme monitoring and evaluation mechanisms and summary of results

Programme monitoring and evaluation mechanisms:

The members of the school administrators are selected for monitoring and evaluation which includes the Principal, the Deputy Principal, the Senior Master and Mistress, School Counsellor and Head of Year (HOY) teachers.

Every year, the Principal will be given a report by:

- a) Senior Mistress of Students Affairs and HOY on Prefects’ daily activities
- b) School Counsellor on PRS and A-teams’ activities and counselling programmes
- c) Senior Master of CCA on Co-curriculum activities and participation in national and international competitions.

Summary of results:

More opportunity is available for the students to develop their leadership skill through various school activities or programs.

Hence all the school's core values are developed and enhanced by the students.

11. Resources used for programme implementation

School facilities

Human Resources:

1. Facilitators / Guides
2. Parents' support

Students' Guide book

12. List of partners, local government bodies, companies or development agencies who have participated in the planning and implementation, including their roles in the activity/programme.

Name of Partners	Roles or contributions
a) Counselling Section, Dept. of Schools, MOE	Assists in counselling activities
b) All Secondary schools in Cluster 4	Support and assists the school's activities
c) OGDC (Oil & Gas Discovery Centre)	Supports and assists the Open Day activities
d) Health Promotion Center	Support GLEATH Club activities
e) Mr Suni Hj Sulaiman (Parent)	Facilitator and motivator for Leadership
f) PIBG	Financial support and advisors
g) Dewan Bahasa dan Perpustakaan Brunei (Brunei National Library)	Invitation to participate in competitions and performances such as dancing
h) All Government bodies	Facilitators of Forum SINAR
i) Brunei Prisons Department, Maraburong	Provides talk on values
j) Brunei Speakers Club	Teaching students to be a better speaker

13. Benefits/Impacts/ positive outcomes of the activity/programme to teachers, students, parents and the community

Impact on students:

High confidence level especially in organising or conducting functions, events or activities.

Students show high commitment and are accountable for any commitment.

Transparency to the principal through sharing of ideas in dialogue sessions between the Principal and the students.

Information is shared within the school community.

Students are more aware about their environment.

An increase in the sense of belonging among students.

Some students have been selected to join the National Sport Scheme to represent the country in national and international sports meets.

Uniform Clubs were invited to other countries in ASEAN.

Impact on the School Community:

PTA (Parents-Teachers Association)

– Giving ideas and feedback to school for cooperation in monitoring students' discipline and academic performance.

Teachers

– More positive attitudes and support through contributions in any programme conducted by the school.

Community

– Involves our students in their activities (trustworthy).

- invitation for dance performance by Dewan Bahasa dan Perpustakaan Brunei

KKBS (Ministry of Youth, Cultures and Sport)

– Invitations in roadshows, Puak-puak performance during Hari Keputeraan (His Majesty the Sultan of Brunei Darussalam's Birthday Celebration), Tour De Brunei as supporters to International Racing Cyclists.

14. Proof of achievement from students, teachers and the community

Permanent Secretary of Ministry of Education's personal congratulation message through a memorandum given to the school.

Dancing performances

JIS (Jerudong International School) invitation to Choir Showcase (2012)

Certificates of achievements for various competitions participated by students

15. Plan for sustainability and plan for the future

Plan for sustainability:

Continuation of programs that have been implemented

Active participation in any competition

Plan for the future:

1. Leadership camp – during school holidays (2014)

2. Para-counselling among students – PRS involvement (Peers counselling)

3. Community service – In and outside country (Depending on the response given by the countries outreach program)

16. List of attachments such as a copy of the school plan, learning/ teaching materials, samples of student worksheet, manual, etc. If the attached materials are in the local language, please provide a brief description in English language.

Attachment 1) Minutes on the First Dialogue between Principal, Prefects and PRS

SEKOLAH MENENGAH SUFRI BOLKIAH TUTONG TA 1341

Minutes of First Dialogue between Principal, Prefects and PRS- "Students Are Future Leader" for the Year 2012

Attachment 3) A report given by HOY on School Prefect Activities to the Principal as part of monitoring.

REPORT ON SCHOOL PREFECTS 2012

Teacher in-charge: Cg Izahtul Iffah Hj Mohd Juani (LOWER HOY)

In 2012, there were 55 students have been appointed as School Prefects.

CLASS	NO OF PREFECTS	REMARK
11	18	*including YR 10 XP
10	15	
9	15	
8	7	
TOTAL :	55 Prefects	

The selection process for newly prefects was nominated based on class teacher selection. Then, HOY teachers will have mutual discussion and finalized the nominated prefects based on their criteria, behavior, personality and performance. Before the newly prefects were announced to school, they were given a short briefing on duties and responsibilities which was held on Thursday, 26th April 2012.

The newly prefects were then announced to school as Newly School Prefects at the ceremony of Handing Over newly Prefect badges that was held on Monday, 30th April 2012. Here, the newly Head Prefect and Assistant Head Prefect were also introduced to school. As usual, during the ceremony, all newly prefects were called upon and lined up as well as oath reading and short speech from the newly appointed Head Prefect.

Among the duties and responsibilities are:

1. Every morning from 7.10 -7.30, they were asked to be the emcees for ritual morning duties eg Quran recital, school pray recital, also played National anthem and 'Asma Ul Husna'. If needed, the prefects will inform any updated information from teachers. The allocated venues are at the Principal Office and Upper HOY.
2. The Prefects are also given a trust to conduct independently any School assembly and functions. This includes as the master ceremony for school assembly and also 'Hari Raya' and 'Teacher days celebration'. During the ceremony or assembly, they were also in charged with students' disciplines, setting up the PA system, decoration and others.

3. During break time, they were also scheduled to supervise allocated venues; New building, senior Building Block, school canteens as well as lower junior block. After that, they needed to write report to HOYS after finished their supervision

*Timetable for above duties was made by teacher in-charge and Teacher in-charge for PRS alternately.

In 2012, Prefects and PRS decided to collaborate with each other to do activity above mentioned. Meetings were done informally with prefects and teachers in charge. — Mostly meetings were done for discussing for ideas for upcoming assembly and school functions. Meetings were mostly done at upper library and Prefect and PRS Room (Lower junior block). Some major activities that the prefects and PRS involved in was A Leadership program, "Students are Future leader" that handled by Madam Principal, Cg Asurah bte Hj Meluddin. Here, the Prefects together with PRS students were asked to make presentation on their very own Proposal based on the above topic. After that, Madam Principal presented a short briefing on how to be a boss and a leader. Other activity was the selected Prefects also participated in Orientation conducted by SMSB Counseling Department toward the end of the year. This orientation was a positive and effective course and highly recommended especially for prefects because it was their only time to polish their leadership skills and giving creative ideas. For future, it is recommended and requested for counseling Department to give such more courses for the prefects.

As the conclusion, the year 2012 was a new chapter and challenge for the Prefects and also a 'wake up call' for the prefects. From observation, the prefects did make an improvement on how they played their roles as a perfect. Some areas needed to be improved were confident level in delivering speech, punctuality and giving new ideas.

Attachment 4) A report given by School Counsellor on PRS's Activities to the Principal as part of monitoring.

JABATAN BIMBINGAN KAUNSELING DAN KERJAYA
SEKOLAH MENENGAH SUFRI BOLKIAH, TUTONG

PRS

Peer Guiders Programme (Pembimbing Rakan Sebaya or PRS) had conducted several activities, such as:-

- ✓ Leadership Course – They had created their own team building activities for school prefects and PRS members.
- ✓ Pembimbing Rakan Muda or PRM Visits to SM Sufri Bolkiah Tutong – 31.08.2013
Their task was preparing and conducting the function. They prepared the games, i.e. Ice Breaking Game, Communication Game & Team Building Game. They have handled it very well.
- ✓ Lawatan Anti-Dadah ke Kuala Lumpur Malaysia – (3 Julai – 7 Julai 2011)
 - Exposure to students the effects of drugs abuse.
 - To develop the sense of self-care

A-TEAM

A-Team was set-up in school to provide help to targeted students that were chosen to join such programme or activities. The A-team would create a programme that is align with the theme provided by the Counselling & Career Unit, Department of Schools. A-Team is responsible for the whole project from writing the proposal, creating the activities, managing meetings, giving support and motivation.

In 2011, the A-Team compete and won second place for their project.

Counselling Self-Reference (Volunteer)

- ✓ 2011 – 3 clients
- ✓ 2012 – 3 clients
- ✓ 2013 – 13 clients

This has showed the improvement in understanding the purpose of counselling service among students. In which, they have understand that attending counselling would help them in developing positive attitudes in the future.
